NOTES:

1. We would like to have a short meeting with all those who have elected to do their research paper on the holocaust or some aspect thereof. Please stay after class to see us.
2. Several of the more extended bibliographies that we promised you, are now available. If you have difficulties finding source material, please see us.
3. We are quite worried about attendance!! Since there is no text for this course, we fail to see how you could do well without attending classes. Certainly, we plan to take attendance and class participation into account in arriving at final grades.
4. Finally, let us remind you that the revised outlines for your research project are now overdue!!! Also, November 26 is the final date for giving us a draft of your paper, IF you want our comments.

Xmas Vacation:

Since this is the last Newsletter before the start of the xmas vacation, we want to wish you a good rest and a Happy New Year.

In addition, we hope that you will reserve some time to work on your research project. If you find that you need some help, please feel free to call either or both of us. There will be no office hours after the end of the term. However, we are willing to see you by appointment - when we are in town - if you phone us for one:

Frank Chalk - 879-4252

Kurt Jonassohn - 879-5940 or 5944

If we are not in, leave a message and we shall return your call.

GOOD LUCK!
